

M5E1 6.5 CREEDMORE ASSEMBLED UPPER RECEIVER W/GEN 2 HANDGUARD - M5E1 6.5CM ASSEMBLED UPPER HVY 18" MID-LENGTH THREADED BLK

Feature-Laden Upper for a "Boringly Accurate" Target Rifle

Aero Precision's M5E1 6.5 Creedmoor Upper Receiver is ready to be the foundation of a lightweight, tack-driving target rifle. Chambered for the inherently accurate 6.5mm Creedmoor cartridge that's taking the long-range target shooting community by storm, the M5E1 fits DPMS GEN 1 LR-308 lower receivers and clones and accepts the DPMS-compatible bolt/carrier group and charging handle of your choice. The BCG and charger are omitted because...many target shooters prefer to select them separately. (No need to pay for parts you're going to replace, right?) Each M5E1 6.5 Creedmoor Upper Receiver comes with a high-quality 416R stainless steel target barrel with a 1-8" twist to stabilize a variety of popular target bullets. An extra-length gas system slows gas velocity for gentler, more reliable cycling and reduced wear on the gas block, BCG, and receiver. Available in a compact 18" length with a MID-LENGTH gas system; or choose a 20" or 22" lengths for extra bullet velocity and RIFLE-LENGTH gas system. Forged 7075 T6 aluminum receiver, hardcoat anodized matte black Fits DPMS Gen I LR-308 lower receivers & clones Ejection port cover & forward assist installed Matte bead-blasted finish on barrel (not fluted) A2-style flash suppressor Handguard: 1.78" inside diameter clears most muzzle devices and 1.5" suppressors .2795" dia. pivot/takedown pin holes Charging handle & bolt/carrier group NOT included The M5E1 6.5 Creedmoor Upper Receiver is fitted with Aero Precision's Gen 2 Enhanced M-LOK Handguard with an uninterrupted, gap-free, full-length Picatinny top rail runs from the rear of the receiver across the entire length of the handguard. There are plenty of M-LOK accessory attachment slots and QD sling swivel sockets at the 3/6/9 o'clock positions. Texture milled into the flats gives you a secure hold and adds to your gun's unique appearance. The result: a laser-accurate target rifle with a rock-solid accessory mounting platform.

M5E1 6.5 Creedmoor Assembled Upper Receiver

Safety Instruction Guide

Introduction

Thank you for choosing the M5E1 6.5 Creedmoor Assembled Upper Receiver. This product is designed to provide a reliable and highperformance platform for your shooting needs. However, safety is paramount. This guide outlines important safety information, usage instructions, and disposal recommendations to ensure your experience with this product is safe and enjoyable.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of unauthorized individuals, especially children.
- Use appropriate eye and ear protection when handling or shooting the firearm.
- Ensure that you are familiar with the laws and regulations regarding firearm ownership and usage in your area.
- Regularly inspect the firearm for any signs of damage or wear before use.
- Do not modify the firearm in any way that may compromise its safety or functionality.

Specific Safety Precautions for Use

- Ensure that the M5E1 6.5 Creedmoor Upper Receiver is compatible with your lower receiver before installation.
- Only use ammunition that is specifically designed for the 6.5 Creedmoor cartridge.
- Do not exceed the manufacturer's specifications for ammunition load.
- Avoid using damaged or reloaded ammunition unless it has been verified safe by a qualified gunsmith.
- Do not place your fingers on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- If the firearm fails to fire, keep it pointed downrange for at least 30 seconds before attempting to clear the malfunction.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Ensure that your lower receiver is a DPMS GEN 1 LR308 or compatible clone.
2. **Gather Tools:** You will need the appropriate tools to install the upper receiver, including a torque wrench, and any other necessary tools for your specific lower receiver.
3. **Align the Upper and Lower:** Position the M5E1 Upper Receiver onto the lower receiver, ensuring that the takedown pin holes are aligned.
4. **Secure the Upper Receiver:** Insert the takedown pins to secure the upper receiver to the lower receiver.
5. **Check Functionality:** Ensure that the charging handle operates smoothly and that the bolt carrier group (not included) fits properly.

Usage

- Ensure that you are in a safe and legal shooting environment before firing the weapon.
- Load the firearm only when you are ready to shoot.
- Follow all local laws and regulations regarding the discharge of firearms.
- After use, ensure that the firearm is unloaded and stored securely.

Disposal Instructions

- Dispose of the M5E1 Upper Receiver in accordance with local regulations regarding firearm parts and materials.
- If the product is damaged or no longer functional, contact a qualified gunsmith for advice on proper disposal methods.
- Ensure that any hazardous materials, such as lubricants or cleaning solvents, are disposed of in a safe and environmentally friendly manner.

Contact Information for Further Support

For any inquiries regarding safety concerns, product compatibility, or technical support, please reach out to the manufacturer or a qualified firearms expert. It is essential to have access to accurate information and assistance when handling firearms.

By following these guidelines, you can enjoy the benefits of your M5E1 6.5 Creedmoor Assembled Upper Receiver while ensuring the safety of yourself and others. Always prioritize safety and responsibility in all your shooting activities.

Bezpečnostní pokyny pro použití horní části M5E1 6.5 Creedmoor

Úvod

Děkujeme, že jste si zakoupili horní část M5E1 6.5 Creedmoor od Aero Precision. Tento produkt je navržen tak, aby poskytoval vynikající výkon a přesnost. Abychom zajistili vaši bezpečnost a bezpečnost ostatních, prosím, pečlivě si přečtěte následující bezpečnostní pokyny.

Obecné bezpečnostní pokyny

- Zajistěte, aby byl výrobek používán pouze pro zamýšlený účel.
- Před použitím výrobku se ujistěte, že je zcela montován a v dobrém stavu.
- Vždy dodržujte místní zákony a předpisy týkající se používání zbraní.
- Udržujte výrobek mimo dosah dětí a zranitelných osob.
- Pokud zjistíte jakékoli poškození nebo neobvyklé chování výrobku, přestaňte jej používat a obraťte se na odborníka.

Specifická bezpečnostní opatření pro použití

- Před každým použitím zkontrolujte, zda je zbraň vybitá.
- Používejte pouze doporučené munice pro 6.5 Creedmoor.
- Nikdy nesměřujte zbraň na nic, co nechcete zasáhnout.
- Dodržujte bezpečnostní vzdálenosti od ostatních osob při střelbě.
- Při manipulaci se zbraní noste ochranné brýle a sluchátka.

Pokyny pro instalaci a používání

1. Instalace horní části:

- Ujistěte se, že máte správné nástroje a příslušenství.
- Připojte horní část k dolní části DPMS GEN 1 LR308 nebo jejím klonům.
- Zkontrolujte, zda jsou všechny šrouby a upevnění správně utaženy.

2. Použití:

- Před každým použitím zkontrolujte, zda je zbraň správně sestavena a vybitá.
- Nabijte zbraň podle pokynů výrobce.
- Při střelbě dodržujte všechny bezpečnostní pokyny.

Pokyny pro likvidaci

- Pokud se rozhodnete výrobek zlikvidovat, ujistěte se, že je zbraň vybitá a nefunkční.
- Dodržujte místní předpisy o likvidaci nebezpečného odpadu.
- Zvažte možnost předání výrobku odborníkovi na likvidaci zbraní.

Kontaktní informace pro další podporu

Pokud máte jakékoli dotazy nebo potřebujete další informace o bezpečnosti výrobku, obraťte se na svého prodejce nebo výrobce. Ujistěte se, že máte k dispozici sériové číslo výrobku a další relevantní informace.

Děkujeme, že dbáte na bezpečnost při používání horní části M5E1 6.5 Creedmoor. Vaše bezpečnost a spokojenost jsou naší prioritou.
