

SUPER DUTY MOD1 5.56X45 NATO SEMI-AUTO RIFLE - SUPER DUTY MOD1 5.56X45 NATO 14.5" GEISSELE BBL NO MAG DDC

Super Duty MOD1 Rifle 5.56MM Semi-Auto Rifle The Super Duty Mod1 Rifle improves upon the renowned Geissele Super Duty with the addition of a HUXWRX Flash Hider-QD 556 suppressor-ready muzzle device, an updated MK16 Super Modular Rail with press-fit stainless steel Quick Disconnect (QD) inserts, an A17 Grip that presents a more ergonomic grip angle, and a QD Sling Mount Endplate. The SD Mod1 updates several key components that ensure this high-end rifle will continue to offer the user unmatched accuracy, comfort, and performance. Geissele provides the latest in weapon technology available. This rifle chambered in 5.56mm features a nanoweapon-coated HUXWRX Flash Hider-QD muzzle device pinned and welded to an in-house Manganese Phosphate coated, Cold Hammer Forged, Chrome Lined, 1-7 twist barrel. Geissele barrels are High-Pressure Tested (HPT) and Magnetic Particle Inspected (MPI). The Geissele length gas system and Geissele Super Compact Gas Block (with bomb-proof installation) ensure reliability and optimal performance in extreme conditions and heavy use. At your fingertip and purpose-built for precision is the SSA-E X with Lightning Bow® trigger. The Nanocoated, two-stage trigger features a wide-body and bow shape that finds the perfect balance between a classic M4 trigger and a flat-body trigger. At the heart of this rifle is the Geissele Reliability Enhanced Bolt Carrier Group (BCG). Their Nanoweapon-coated carrier features a properly torqued and staked, Chrome Lined, Nanocoated gas key. The Cam Pin is machined from advanced, tool steel known as H13 which is also coated with Nanoweapon for maximum corrosion and wear resistance. The Reliability Enhanced Bolt Carrier Group features extended upper rails, providing greater stability and dramatically increasing feeding reliability. The Reliability Enhanced Bolt Carrier Group comes with the Geissele Stressproof Bolt. Made from Carpenter 158+, directly developed with Carpenter Steel metallurgists to create a material that is cleaner and has fewer impurities. This makes our Stressproof bolt stronger and more fatigue-resistant. The Geissele Stressproof bolt is also forged, not machined from barstock. This allows us to optimize the grain structure of the steel to yield a bolt capable of 5 times the life of a mil-spec bolt. Each bolt is rigorously inspected, high-pressure tested, mag particle inspected and Nanoweapon coated. The Super Duty lower is precision machined from 7075-T6 aluminum and features Geissele's Ultra Duty Lower Parts Kit featuring our Ambidextrous Super Configurable safety and Ultra Precision trigger guard. A high-quality mil-spec Geissele Buffer Tube with a Super-42 in H2 buffer ensures this rifle is properly tuned out of the box. Rounding up the package is a MK16 Super Modular Rail, that mates to the Super Duty Upper Receiver via a center aligning tab that removes any chance of rail rotation. The MK16 family of rails is renowned by operators for their performance and comfort. An Airborne Charging Handle ensures smooth and reliable operation. A Geissele Quick Disconnect (QD) Sling Mount Endplate allows for fast interfacing of slings quipped with QD pushbutton mounts to the lower receiver. This rugged and reliable attachment point is machined from Stainless Steel that is finished in Black Nitride and staked per MIL STD. The B5 Systems Enhanced Sopmod Stock completes the package and an Airborne Charging Handle ensures smooth and reliable operation. Sicherheitshinweise für das SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE

Einführung

Herzlichen Glückwunsch zum Kauf des SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE von Geissele Automatics. Dieses Gewehr wurde für höchste Präzision und Zuverlässigkeit entwickelt. Um sicherzustellen, dass Sie das Produkt sicher und effektiv nutzen, beachten Sie bitte die folgenden Sicherheitshinweise und Anweisungen.

Allgemeine Sicherheitsrichtlinien

- Verwenden Sie das Gewehr nur gemäß den Anweisungen in diesem Handbuch.
- Halten Sie das Gewehr immer in einem sicheren Zustand, selbst wenn es nicht verwendet wird.
- Achten Sie darauf, dass das Gewehr außerhalb der Reichweite von Kindern und unbefugten Personen aufbewahrt wird.
- Tragen Sie immer geeignete Schutzausrüstung, einschließlich Augen und Gehörschutz, während Sie das Gewehr verwenden.
- Überprüfen Sie regelmäßig, ob das Gewehr in gutem Zustand ist und keine sichtbaren Schäden aufweist.
- Melden Sie unsichere Produkte oder Vorfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Stellen Sie sicher, dass Sie mit den grundlegenden Sicherheitsregeln für Schusswaffen vertraut sind.
- Überprüfen Sie vor jedem Schuss, dass sich keine Objekte oder Personen im Schussfeld befinden.
- Laden Sie das Gewehr nur in dafür vorgesehenen und sicheren Bereichen.
- Verwenden Sie nur die vom Hersteller empfohlenen Munitionstypen.
- Achten Sie darauf, das Gewehr nicht zu überladen und die maximale Kapazität nicht zu überschreiten.
- Verwenden Sie das Gewehr niemals unter dem Einfluss von Alkohol oder Drogen.

Anweisungen für Installation und Nutzung

• Installation des Gewehrs:

- Überprüfen Sie alle Teile des Gewehrs auf Vollständigkeit und Unversehrtheit.
- Montieren Sie das Gewehr gemäß den Anweisungen im Handbuch.
- Stellen Sie sicher, dass alle Schrauben und Befestigungen fest angezogen sind.

• Nutzung des Gewehrs:

- Nehmen Sie das Gewehr in die Hand und überprüfen Sie, ob es sich im sicheren Zustand befindet (Sicherung aktiviert).
- Laden Sie das Gewehr, indem Sie das Magazin korrekt einsetzen und sicherstellen, dass die Munition richtig eingelegt ist.
- Stellen Sie sich in eine stabile Position und zielen Sie auf das Ziel.
- Betätigen Sie den Abzug vorsichtig und gleichmäßig, um einen Schuss abzugeben.
- Nach dem Schuss, überprüfen Sie das Gewehr und stellen Sie sicher, dass es sich im sicheren Zustand befindet, bevor Sie es ablegen.

Entsorgungsanweisungen

- Entsorgen Sie das Gewehr und Zubehör gemäß den örtlichen Gesetzen und Vorschriften.
- Wenn das Gewehr nicht mehr verwendet werden kann, bringen Sie es zu einer autorisierten Sammelstelle.

für Waffen oder wenden Sie sich an die örtlichen Behörden.

- Stellen Sie sicher, dass alle Munition sicher und ordnungsgemäß entsorgt wird.

Kontaktinformationen für weitere Unterstützung

- Für Fragen oder Unterstützung wenden Sie sich bitte an den Hersteller oder den Händler, bei dem Sie das Gewehr erworben haben.

Hinweis: Bewahren Sie diese Sicherheitsanweisungen an einem sicheren Ort auf, damit Sie jederzeit darauf zugreifen können. Ihr Sicherheitsbewusstsein und Ihre Sorgfalt sind entscheidend für die sichere Nutzung des SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE.

Safety Instruction Guide for SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE

Introduction

Thank you for choosing the SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE. This guide provides essential safety instructions to ensure the safe use of your firearm. Please read and understand these guidelines thoroughly before handling or operating the rifle.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Use appropriate eye and ear protection when shooting.
- Ensure the rifle is stored securely and out of reach of unauthorized users, especially children.
- Regularly inspect the rifle for any signs of wear or damage.
- Do not use the rifle under the influence of drugs or alcohol.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before cleaning or performing maintenance.
- Only use ammunition specified by the manufacturer (5.56x45 NATO).
- Do not modify the rifle in any way that could affect its performance or safety.
- Be cautious when loading and unloading the rifle; always keep the muzzle pointed in a safe direction.
- If the rifle fails to fire, keep the muzzle pointed downrange for at least 30 seconds before attempting to clear the malfunction.
- Do not use the rifle in wet or damp conditions unless it is specifically designed for such use.
- Always check the condition of the magazine and ensure it is compatible with the rifle.
- In the event of a misfire or hangfire, follow the manufacturer's instructions for safe handling.

Instructions for Installation and Usage

• Installation of Accessories:

- Ensure the rifle is unloaded before installing any accessories.
- Follow the manufacturer's instructions for mounting any sights, grips, or other accessories.
- Use only Geisseleapproved accessories to maintain safety and performance.

• Loading the Rifle:

- Ensure the safety is engaged before loading.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to the rear and release it to chamber a round.
- Ensure the rifle is pointed in a safe direction when loading.

• Firing the Rifle:

- Disengage the safety by moving it to the "fire" position.
- Aim at the target and ensure your finger is off the trigger until ready to shoot.
- Squeeze the trigger gently to fire the rifle.

- After firing, reengage the safety before handling the rifle further.

- **Unloading the Rifle:**

- Point the rifle in a safe direction.
- Engage the safety.
- Remove the magazine by pressing the magazine release button.
- Pull the charging handle to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is clear.

Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.
- If the rifle is no longer functional or safe to use, consult a licensed firearms dealer or manufacturer for proper disposal methods.
- Never dispose of ammunition in regular trash; contact local authorities for guidance on proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO RIFLE, please consult the manufacturer or a licensed firearms dealer for assistance.

Thank you for prioritizing safety in the use of your firearm. Enjoy your shooting experience responsibly.

Guida alla Sicurezza del Prodotto per il Fucile SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO

Introduzione

Grazie per aver scelto il Fucile SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO. Questa guida fornisce informazioni importanti sulla sicurezza, l'uso e la manutenzione del prodotto. Si prega di leggere attentamente queste istruzioni prima di utilizzare il fucile per garantire un uso sicuro e responsabile.

Linee Guida Generali di Sicurezza

- Assicurarsi di comprendere e rispettare tutte le leggi locali e nazionali relative all'uso delle armi da fuoco.
- Non utilizzare il fucile se si è sotto l'influenza di alcol o sostanze stupefacenti.
- Tenere il fucile fuori dalla portata di bambini e persone non autorizzate.
- Utilizzare solo munizioni compatibili con il modello specificato (5.56 x 45 NATO).
- Controllare sempre che il fucile sia scarico prima di maneggiarlo o riporlo.
- Indossare sempre occhiali protettivi e protezioni per le orecchie durante l'uso.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non puntare mai l'arma verso qualcosa che non si intende colpire.
- Verificare sempre il bersaglio e l'area circostante prima di sparare.
- Non utilizzare il fucile in condizioni meteorologiche avverse, come pioggia intensa o neve.
- Non modificare o alterare il fucile in alcun modo.
- Non utilizzare accessori non approvati dal produttore.

Istruzioni per l'Installazione e l'Uso

Installazione

1. **Controllo del Contenuto:** Verificare che tutti i componenti siano presenti e in buone condizioni.
2. **Montaggio della Canna:** Assicurarsi che la canna sia montata correttamente e saldamente.
3. **Installazione del Calcio:** Fissare il calcio al ricevitore inferiore seguendo le istruzioni specifiche per il modello.
4. **Inserimento della Mag:** Assicurarsi che la mag sia correttamente inserita e bloccata in posizione.
5. **Controllo Finale:** Eseguire un controllo finale per garantire che tutte le parti siano montate correttamente.

Uso

1. **Preparazione:** Assicurarsi che il fucile sia scarico prima di iniziare.
2. **Caricamento:** Caricare la munizione nella mag e inserire la mag nel fucile.
3. **Sparare:** Posizionarsi in una posizione sicura e stabile, puntare e premere il grilletto con cautela.
4. **Scarico:** Dopo l'uso, rimuovere la mag e controllare che non ci siano munizioni nella camera.

Istruzioni per lo Smaltimento

- Non gettare il fucile o le sue parti in rifiuti domestici.
- Contattare un centro di raccolta autorizzato per lo smaltimento delle armi.
- Seguire le leggi locali e nazionali riguardanti lo smaltimento delle armi da fuoco.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza o supporto, contattare il rivenditore autorizzato o il produttore.

Avvertenze Finali

- Segnalare eventuali prodotti difettosi o incidenti alle autorità competenti.
- Controllare regolarmente gli aggiornamenti sui richiami dei prodotti attraverso la piattaforma Safety Gate dell'UE.

Si prega di conservare questa guida per riferimento futuro e di seguirne le indicazioni per garantire un utilizzo sicuro e responsabile del Fucile SUPER DUTY MOD1 5.56X45 NATO SEMIAUTO.
